Interpreter - Simultaneous and consecutive

I have been a conference interpreter and translator since 2002 and offer my services for simultaneous, consecutive, whispered and liaison interpreting. I have extensive experience in pharmaceutical audits (investigator meetings, AIFA, EMA and FDA inspections) and depositions.

Assistance to delegations

I assist foreign delegations and provide language support during company visits, foreign business missions, gala dinners, visits to construction sites, factories and oil facilities.

Interpreter Team

I offer my expertise in organising interpreter teams for multilingual conferences.

Event Organisation

I am able to organise international conferences with simultaneous interpreting in multiple languages, including the hire of interpreting booths and all necessary equipment.
